

FIEUZAL

2024 VINTAGE

« Purity and precision are the words I would use to describe Fieuzal 2024.

The colour is an intense purple with magnificent glints. The nose opens with scents of white pepper, followed by notes of liquorice and light tobacco, before revealing a range of predominantly fresh red fruit aromas, particularly cherry.

The palate is remarkably well-balanced and long. The tannins are lively, evolving to produce a powdery, even slightly mineral sensation, reminiscent of graphite.

This wine has a fine structure and a blend that gives an authentic reflection of Fieuzal's terroir »
