✧ Bordeaux very strong

Clear and brilliant

Before stirring: assault of red fruits and red roses

After stirring: an intense fruit, a mineral background, and always floral

Vivid attack

A silky tannin texture

Large volume.

Greta palatability

Long finish of blackberry and savory salty return

Weather

✧ A little wet winter with some very cold sessions.

The rain finally arrives in January and February

Worries about the frost at the end of March and the beginning of April. Beautiful bloom. Four heat waves strike from June.

Concerned, however, we note a certain stoicity of the vineyard that seems to suffer less than us. The harvest in good conditions is early, the light rains were well come. In the cellar, no aroma of over-ripeness, fruit already.
