La fraîcheur de nos terroirs a soutenu la vigne dans son épopée caniculaire, permettant la production de vins racés et intenses : déferlantes de fruits d'une profondeur délicieuse et d'une finesse qui transporte. Umami.

The freshness of our terroirs has sustained the vine in its scorching epic, allowing the production of racy and intense wines: bursting fruit of delicious depth and finesse that transports. Umami.

Noémie Durantou – Directrice d'exploitation, Winemaker

Un millésime surprenant... des vins étonnants et impressionnants !

A surprising vintage... amazing and impressive wines!

Olivier Gautrat – Maître de chai, Winemaker

N'en déplaie à un cycle végétatif en mirage d'eau, les vins du millésime 2022 se délient tels des oasis florales et fruitées, accompagnées de paysages épicés, sans jamais perdre de leur salinité et de leur volupté.

Despite a mirage like growing cycle, the wines of the 2022 vintage offer themselves as floral and fruity oasis, accompanied by spicy landscapes, never losing their salinity and voluptuous characters.

Les vins des vignobles Denis Durantou offrent une balade florale : acacia, tilleul, seringa, chèvrefeuille ; en passant par la terre : truffe, les fruits : noisettes, mûres, framboises ; et l'épicé : vanille. La palette en bouche est aérienne, soyeuse, voluptueuse et les tanins frais et longs. Le minéral s'accorde aussi à ces vins 2022 enchanteurs de papilles.

The wines of Denis Durantou's Vineyards are depicting a flowery stroll: acacia, linden, mock orange and honeysuckle blossoms, passing through the earth: truffle, hazelnuts fruits, blackberries and spicy vanilla raspberries. The mouthfeels are aerial, silky and voluptuous with fresh and persistent tannins. The minerality is present as well in this 2022 vintage, enchanting the taste buds.
